

Swipe Card Association

1. Check that your device is displaying the Swipe Card symbol

2. Introduce your swipe card to the card reader installed on the MFD

3. The display will change to allow the input of login details

The screenshot shows the 'Card Association' screen. At the top left is a '< Back' button. The title 'Card Association' is centered at the top. Below the title, the instruction 'Enter username/password to associate your card with an existing account.' is displayed. There are two input fields: 'Username' and 'Password'. The 'Username' field is highlighted with a red rectangular box. Below the 'Password' field is a teal 'Set' button. On the right side, there is a vertical menu with buttons: 'Authentic./ Logout', 'System Menu /Counter', 'Interrupt', 'Numeric Keypad', 'Reset', 'Stop', and 'Start'. At the bottom, there is a status bar with 'Status' on the left, a battery icon, signal strength icon, and the date/time '16/06/2023 08:57'. Below the status bar are buttons for 'Status/ Job Cancel', 'Copy Function', 'Send Function', 'FAX Function', and 'Accessibility Display'.

4. Input your network Username

This screenshot is similar to the previous one, but the 'Username' field now contains the text 'gavin.mcinnis'. The 'Username' field and its label are still highlighted with a red rectangular box. The 'Password' field remains empty. The 'Set' button is still present. The right-side menu and bottom status bar are identical to the previous screenshot, with the date/time now showing '16/06/2023 08:59'.

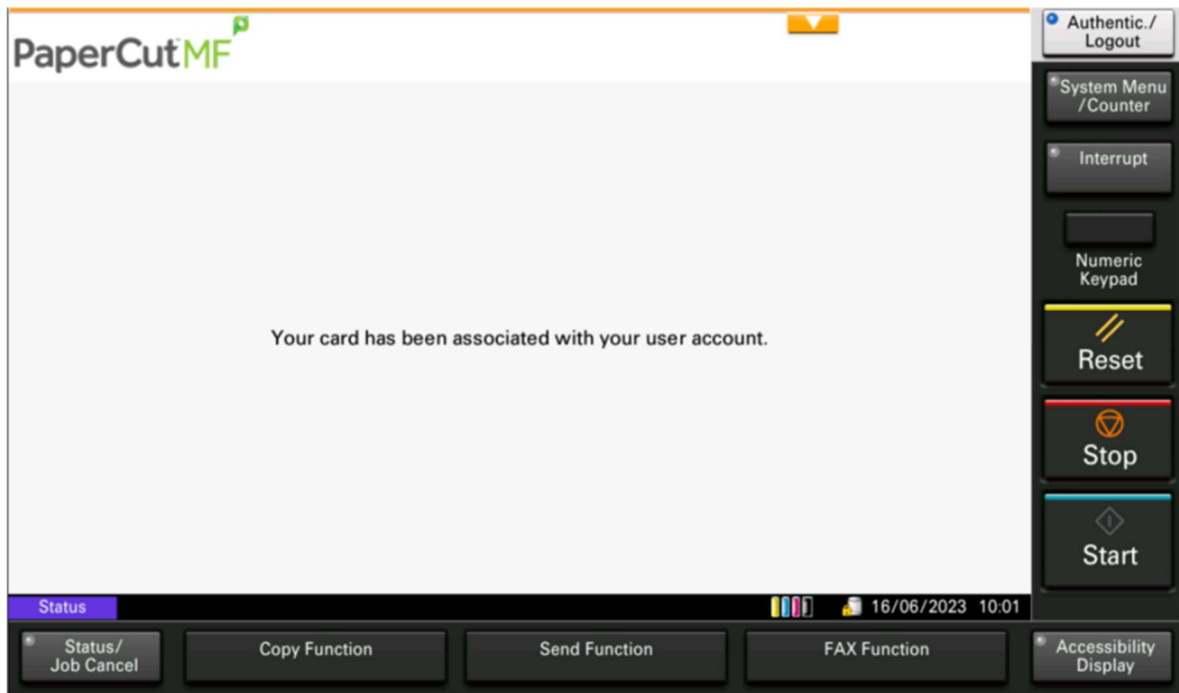

5. Insert your network Password

The screenshot shows the 'Card Association' screen. At the top left is a '< Back' button. The title 'Card Association' is centered at the top. Below the title, the instruction 'Enter username/password to associate your card with an existing account.' is displayed. There are two input fields: 'Username' with the text 'gavin.mcinnnes' and 'Password' with masked characters '*****'. The 'Password' field is highlighted with a red rectangular box. Below the input fields is a teal 'Set' button. On the right side, there is a vertical toolbar with buttons: 'Authentic./ Logout', 'System Menu /Counter', 'Interrupt', 'Numeric Keypad', 'Reset', 'Stop', and 'Start'. At the bottom, there is a status bar with 'Status' on the left, a date and time '16/06/2023 08:59' in the center, and buttons for 'Status/ Job Cancel', 'Copy Function', 'Send Function', 'FAX Function', and 'Accessibility Display'.

6. Click on Set to complete

This screenshot is identical to the previous one, showing the 'Card Association' screen. The 'Set' button at the bottom of the form is now highlighted with a red rectangular box, indicating the next step in the process.

7. If Successful, the following message will be displayed

8. If the login details are incorrect, the following message will appear, please re-input your details and click on Set.

9: Once successful, swipe your card to view the user screen
