**Clearing Paper Jams**
Section-E

KYOCERA

Caution:

If the paper tears during removal, be sure to remove any loose scraps of paper from inside the Machine.
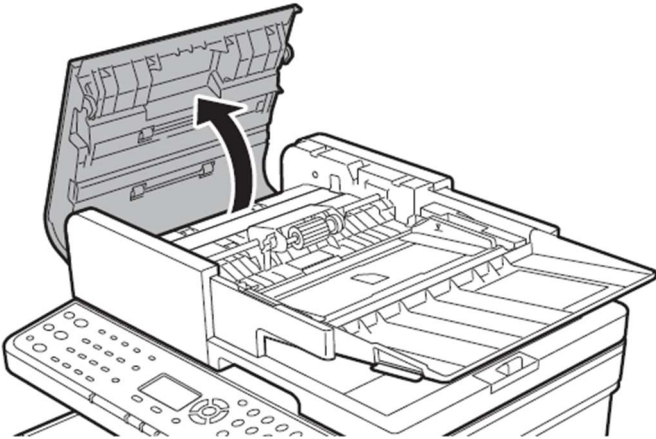

Scraps of paper left inside the machine could cause subsequent jamming

If a jam occurs, a jam message will appear on the screen indicating the area of the jammed paper.
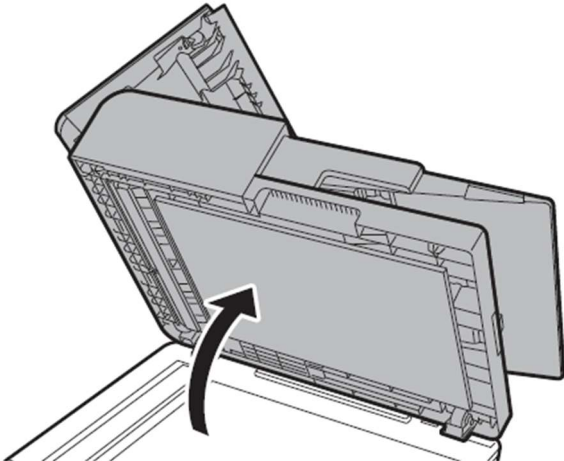

Remove all paper from the document processor feed tray

Open document
processor top
cover

Remove any
visible
jammed paper

Lift the document
processor

Remove any visible jammed paper

Lower the document processor

Return the top cover to its closed position and reload originals to continue
